This guide outlines the step-by-step process for European employers to obtain accreditation with the Migrant Workers Office (MWO) through Placewell International.

1 SUBMISSION OF INITIAL DOCUMENTS

Your dedicated Business Development Manager, Carl, will first request the following documents:

FOR RECRUITMENT AGENCIES

The agency must provide:

- Business License
- Valid ID or Passport of the Authorized Signatory

- The agency's client (employer) must also provide:

- Business License
- Valid ID or Passport of the Authorized Signatory

FOR DIRECT EMPLOYERS/CLIENTS

- Business License
- Valid ID or Passport of the Authorized Signatory

2 PREPARATION OF ACCREDITATION DOCUMENTS

Upon receipt of the required documents, Carl will prepare and pre-fill all accreditation forms and supporting documents. The employer only needs to:

- Review the prepared documents
- Print the documents on the company's official letterhead (where applicable)
- Sign and stamp the documents
- Provide pictures of the workers' accommodation
- Submit any additional documents requested by the Migrant Workers Office (MWO)

3 INITIAL EVALUATION BY MWO

Once all documents have been completed and submitted, Carl will forward the scanned copies to the appropriate MWO for initial evaluation. If revisions or compliance requirements are issued, Carl will assist in coordinating the necessary corrections.

4 COURIER OF ORIGINAL DOCUMENTS

After receiving the MWO's initial approval, the employer must arrange a courier service to deliver the original signed and stamped documents to the MWO.

5 PAYMENT OF VERIFICATION FEE

Following the MWO's evaluation, a verification fee must be paid. Please note that the verification fee varies depending on the country, employer type, and accreditation requirements.

6 RELEASE OF VERIFIED DOCUMENTS

Once the verification fee has been paid and the verification process is completed, the MWO will notify Carl that the original verified documents are ready for release. The employer must then arrange another courier service to collect the verified documents from the MWO and deliver them to Placewell International.

7 FILING WITH THE DEPARTMENT OF MIGRANT WORKERS (DMW)

Upon receipt of the verified documents, Placewell International will file the accreditation documents with the Department of Migrant Workers (DMW) for final registration and approval.

8 RECRUITMENT AND DEPLOYMENT

Once the accreditation and Job Order have been approved, recruitment and deployment of Filipino workers may commence immediately.
